SECRETARY’S REPORT

**Approve Minutes** from January 5, 2017 Board Meeting – Mr. Taylor moved to approve the minutes for the January 5, 2017 Board Meeting. Mr. Sweeney seconded. Vote was called; the motion passed unanimously.

COMMITTEE REPORTS

Legislative Policy

Legislative Report is attached and hereto made part of the minutes.

Membership/Marketing

Mr. Wehler reported that Ms. Cristofoletti will not be continuing her roles as Public Sector Director, Membership & Marketing Chair, and Newsletter Committee member after the end of her term in September. If anyone would like to take on those roles immediately, please contact Mr. Wehler or Ms. Martino as Ms. Cristofoletti would prefer to step out now due to work demands.

Newsletter

Mr. Hasemeier reported a draft of the next newsletter has been sent to the Newsletter Committee. This is in response to discussions about reviewing article content before the newsletter is ready to be distributed. He stressed that this is not a censoring activity, it is to assure the content conforms to the Chapter’s policies and strategies.

Nominating

No report.

Fall Conference

Mr. Wehler is contacting Dr. Koerner about presenting again this year.

Mini-Tech Seminars

The next Mini-Tech is the Safety Summit on March 15th. Ms. Wessels reported David Biderman was forced to cancel due to out of the country engagements. He is helping to setup a replacement. The updated speaker list is included in the Mini-Tech Report.

Ms. Wessels reviewed the future mini-techs included in her report.
Ms. Wessels shared the details of the 2-day LFG Operations and Maintenance Training she is organizing. A discussion followed regarding possible locations and dates for the training. It was decided to hold the training at Chester County SWA and one of the November options.

Ms. Wessels’ report is attached and hereto made part of the minutes.

Road-E-O

Mr. Watts is attempting to find a host for the 2017 Road-E-O. Delaware State has backed out and Maryland has not responded positively. He will be reaching out to Mr. Sample about hosting again this year. Mr. Sweeney also offered to reach to his contacts in Maryland.

Mr. Watts reviewed his International Report; it is attached and hereto made part of the minutes.

Safety

Mr. Aliveto reported he and Mr. Horne are working on topics for the next Safety newsletter.

Scholarships

Mr. Brown reported the scholarship applications have not been released yet, but an announcement will go out to the membership when they become available. Email reminders will go out twice a month.

Ms. Martino is contacting the scholarship administrator to find out when the 2017 applications will be released.

Website

Ms. Martino reported the Annual Progress Report has been submitted to SWANA. Online registration went live on January 15 without any issues. The Constant Contact (bulk email) account has been canceled as of January 23. This saves the Chapter $42 per month.

A group has been created on the Chapter website for Board Members. It allows restricted access to a Board Members page. Currently, the draft minutes and the annual progress report is on the page. If there is any other restricted content to add to the page, contact Ms. Martino.

A Chapter file backup plan has been developed and is being implemented.

Young Professionals

No report.

International

Mr. Watts reviewed his report of recent International Activity and upcoming events. He is involved in the Infrastructure Committee that is attempting to reorganize the regions to make it easier to collaborate and meet.
